INDUSTRIAL SUPPLY, INC.

# Tiemann Industrial: Geared to Serve You Better

At Tiemann Industrial Supply, we know you have lots of Safety Supply options available. So with us, it's not enough to have all the products you need to safely run your business. Nor is it enough to have great prices on those products. You need those things, sure. But you also need great service. That's the Tiemann difference.

That's why we stock more of the items you need and have a dedicated delivery fleet who can get them to you fast! That's why we've taken the significant step of earning ISO certification—and embracing a strong discipline of process and quality control to ensure you get the finest possible service!

So, when you choose Tiemann, you don't have to sacrifice because we truly are geared to serve you better!
